## Revisit Items from last month

- On site safety inspection
  - Tom is still looking to book this through HRM.
- Contact with HRM Counsellor
  - Meeting Set at the school for December 9<sup>th</sup> do address concerns raised in previous SAC meetings
- Behaviour Matrix – to be communicated with families
  - School Behaviour matrix has been shared with students
  - Daily announcement reminders have begun
  - School Behaviour Matrix will be shared with families in a weekly update.
  - Student Shout Outs have started to arrive home and have been reported to be seen as positive form of communication for both families and students.
- New business:

## New Business

1. Reading Data Collection
  - October Reading Data was collected. Most students were reading at, or above grade level expectations. New data will be recorded with report cards next month.
2. Math Data Collection
  - New data will be recorded with report cards next month. We will also collect data on student understanding in the area of grade level Math Fact Fluency competencies.
3. New Reading Intervention Model
  - Halifax Learning Reading intervention has started and is supporting students in grade 1 and 2. Resource teacher has been trained in this model as well and is splitting her intervention between this implementation and with individualized/group support of other students for this first intervention cycle.
4. Any other Business

## Upcoming Events

- Assessment and Evaluation Day
- PTO Holiday Market and Gift Purchase events
  - o Planning for both events is underway.
- Book Fair
  - o Will happen the first week of December to coincide with PT so that parents are able to purchase items when they visit the school.
- Parent/Teacher Conferences / Professional Development Day
  - o Online booking system will be in place as it has been in past years.
- Winter Concerts
